

Trafford Trails 5 – entry terms and conditions

The Trafford Trails 5 is held under UK Athletics Rules of Competition and is licenced by the Trail Running Association. By entering the race, entrants are agreeing to abide by these rules and the following terms and conditions:

- Entrants must be age 18 or over on the day of the race
- Affiliated Club entrants must be members of a UK Athletics affiliated running club
- Entry fees are non-refundable (organising a race incurs considerable costs and these costs are met a long time before race day)
- Race places can be transferred to others up to and including the day before the race – contact dragons@saledragons.org.uk with details of who the place should be transferred to. It is the responsibility of the individuals engaged in the transfer to manage any financial transactions themselves. It may also be possible to defer a place to the following year
- Dragons Running Club (Sale) maintain the right to refuse or revoke entry of any entrant where they believe accepting the entry could prejudice the race, the running club, any sponsors or third-party organisations supporting the race. This right also includes refusing or revoking an entry where Dragons Running Club (Sale) believe accepting the entry is likely to infringe upon the enjoyment of any persons connected with the race, including staff, marshals, volunteers and other competitors
- It is against UKA Rules for Competition and the Trafford Trails 5 race terms and conditions to run wearing another entrants' number or without an officially registered race entry and number. Any such runners will be disqualified from the race and details will be passed to the appropriate national association
- No dogs are permitted in the race
- Wheelchairs, pushchairs and baby joggers are not permitted as, unfortunately, the course is unsuitable
- All entrants take part at their own risk. Dragons Running Club (Sale) or any party acting on their behalf, cannot be held responsible for any injuries, loss, damages or expense which may arise in consequence of an entrant's participation in this race
- For the safety of all entrants no headphones or earphones (including bone conducting versions) may be worn during the race. If a marshal sees a runner wearing headphones or earphones the runner's number will be noted and they will be disqualified
- On race day, competitors should undertake a self-assessment for COVID-19 and should not travel or attend the race if they test positive or have any COVID-19 symptoms
- Details of the race registration times are available at <http://saledragons.org.uk>. If an entrant does not attend registration within these times they may not be allowed to participate and will lose their right to a place in the race
- Any video footage or photographs taken during the race may be used to promote Dragons Running Club (Sale) and the Trafford Trails 5 without informing or recompensing entrants.

- Dragons Running Club (Sale) reserve the right to change the course, race date and/or time, or make any other amendment deemed necessary to stage the race. Any change will be communicated to all entrants as soon as possible. Should the race date be changed, the entrant's registration will be automatically transferred to the new date
- Whilst it is highly unlikely that the race will have to be cancelled, this may be necessary (for example due to severe weather, advice by Public Health England or another Government body, a Police incident etc). Unfortunately, as it is likely that the full cost of staging the race would have been incurred at this point, refunds will not be possible
- Personal information provided when entering the race will be used for race administration and welfare purposes relating to the race. The Dragons Running Club (Sale) privacy notice is available at <https://saledragons.org.uk/policies-and-club-documents/>
- Dragons Running Club (Sale) reserves the right to update these terms and conditions at any time.
